1. INTRODUCTION

This Annual Report is intended to describe how the Canada-Newfoundland and Labrador Offshore Petroleum Board administered its responsibilities in the operation of the **Access to Information Act**.

The **Access to Information Act** was proclaimed on July 1, 1983.

2. (1) The purpose of this Act is to extend the present laws of Canada to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific and that decisions on the disclosure of government information should be reviewed independently of government.

This report has been prepared pursuant to section 94 of the **Access to Information Act**.

94. (1) Every year the head of every government institution shall prepare a report on the administration of this Act within the institution during the period beginning on April 1 of the preceding year and ending on March 31 of the current year.

a. C-NLOPB OVERVIEW

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) is the independent regulatory agency created in 1986 under the **Atlantic Accord Implementation Acts** (Accord Acts), with a mandate that includes offshore safety, environmental protection, resource management and industrial benefits. Safety and environmental protection are paramount in all Board decisions.

b. C-NLOPB MANDATE

To interpret, assess and oversee compliance with the provisions of the **Atlantic Accord**, the **Atlantic Accord Implementation Acts** and relevant regulations for applicable activities in the Canada-Newfoundland and Labrador Offshore Area.

2. ORGANIZATION AND IMPLEMENTATION OF THE ACT

The C-NLOPB's **Access to Information Act** responsibilities are assigned to the Exploration and Information Resources Department. The Information Resources Manager (designated as the Access to Information and Privacy Coordinator) co-ordinates and processes requests as received in the Information Resources Centre. Information Resources staff, and when required, Legal Counsel have been tasked with the responsibility of reviewing and assisting with the processing of requests received under the **Access to Information Act**, and other staff of the C-NLOPB are consulted as required when completing requests.

The C-NLOPB's Proactive Publication responsibilities pursuant to the Access to Information Act are assigned to the Public Relations Department. The Director of Public Relations ensures that the appropriate information is posted to www.cnlopb.ca within the legislated timelines.

The C-NLOPB did not enter any service agreements under section 96 of the **Access to Information Act** during the reporting period.

The C-NLOPB's enabling legislation, **Canada-Newfoundland and Labrador Atlantic Accord Implementation Act, S.C. 1987, c.3.**, contains a provision (s.119) and **Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act, RSNL1990, c.2.**, contains a provision (s.115) that prohibits the C-NLOPB from releasing confidential information obtained from companies operating in the Canada-Newfoundland and Labrador Offshore Area without the consent of the party which provided it. The Access to Information and Privacy Coordinator is diligent in responding to access requests to ensure that the C-NLOPB's s.119 and s.115 obligations are not compromised and undertakes appropriate notification or consultation with interested parties before disclosing these records.

The Coordinator is responsible for providing updates of the C-NLOPB's information holdings to the Treasury Board Secretariat for inclusion in the Info Source publication. The Info Source publication is available on the C-NLOPB website (www.cnlopb.ca) and includes a listing of the types of records that are held within the C-NLOPB.

a. PROCESSING OF FORMAL REQUESTS

To ensure effective and consistent administration of the legislation, the C-NLOPB maintains a system for processing requests aimed at disclosing the maximum information possible to the requestor which is not injurious to the public and private interest. The process also ensures that all representations from mandatory consultations, deliberations, and decisions expressed concerning each request are respected and responded to in the most timely and consistent manner given the nature and scope of the request.

b. PUBLIC ACCESS FACILITIES

The C-NLOPB maintains Access Reading Rooms at its offices in The Tower Corporate Campus in St. John's, Newfoundland and Labrador, which are available for the purpose of examining records which can be disclosed.

3. DELEGATION ORDER

The C-NLOPB's Information Resources Manager has been designated as the Access to Information and Privacy Coordinator and exercises the powers delegated pursuant to the legislation (Appendix A).

4. SUMMARY OF INFORMATION REQUESTS

The C-NLOPB carried over two requests from the 2021-2022 reporting period and received no new requests during the 2022-2023 reporting period. Over the past five years, the C-NLOPB has received on average four requests per year.

A total of two requests were closed during the reporting period, both had information which was “Disclosed in Part” resulting in 100% of requests being “All Disclosed or “Disclosed in Part” during the reporting period. The five year average indicates that 83% of requests result in information being “All Disclosed” or “Disclosed in Part.” No requests are being carried to the next reporting period. Responses were provided to requestors within 61 to 120 days for one request and 181 to 365 Days for the other.

Two of the closed requests required extensions pursuant to section 9(1)(c), in order to complete third party consultations; one extension was 60 days in length and the other was 180 days in length. Responsive records were provided to the requestor within the legislated timeframe for response in both requests, resulting in 100% of the requests being closed within the legislated timeframes.

Informal Requests are not processed under the **Access to Information Act** and, as no fees apply, there is no deadline for response and the requestor has no statutory right to complain to the Information Commissioner of Canada. During the reporting period the C-NLOPB responded to seven informal requests; the five year average for responding to informal requests is five requests annually.

During the reporting period, the C-NLOPB reviewed and commented on four consultations from a Federal Government Institution. The five year average for consultation requests received is five annually. The highest number of consultation requests were received in the 2012-2013 reporting period, when 23 were received.

The C-NLOPB instituted a work from home policy during a previous reporting period, as a result of the COVID 19 pandemic. This did not impede **Access to Information Act** activities during the reporting period.

a. FEDERAL COURT SUBMISSION

One Federal Court review was initiated pursuant to section 41(1) of the **Access to Information Act** and is ongoing.

b. STATISTICAL REPORT

The C-NLOPB’s statistical report on the **Access to Information Act** is presented in Appendix B and the Supplemental Statistical Report on the **Access to Information Act** and **Privacy Act** is presented in Appendix C.

5. EDUCATION ACTIVITIES

Information Resources staff have completed ATIP Online Request Services Onboarding training.

6. POLICY PROCEDURES IMPLEMENTED

The C-NLOPB signed an updated Memorandum of Understanding with the Treasury Board Secretariat for ATIP Online Request Services and Onboarding.

7. PROACTIVE PUBLICATION

The C-NLOPB is required to proactively publish the travel and hospitality expenses of Board Members and the Chief Executive Officer (CEO) within 30 days of reimbursement. This information is available at www.cnlop.ca.

8. ACCESS TO INFORMATION INITIATIVES

The C-NLOPB is currently using the ATIP Online Request Service, to receive requests and communicate with requestors as required.

9. COMPLAINTS AND INVESTIGATIONS

During the reporting period, the Information Commissioner of Canada did not receive any complaints related to **Access to Information Act** requests processed by the C-NLOPB. The Information Commissioner's Office provided 14 Report of Findings related to previous complaint investigations, eight resulting in being well founded and six resulted in being not well founded.

10. MONITORING OF REQUESTS

The C-NLOPB Access to Information and Privacy Coordinator continues to update metadata within the C-NLOPB document management system to allow the tracking of the receipt date and the legislated completion date (including extensions) of the requests to ensure compliance with the **Access to Information Act**. Notifications are being used as a reminder that the closing date is nearing. In the event that the timeframes extend past the legislated timeframe, the Chief Executive Officer and the Chief Legal Officer for the organization will be notified.
