Good day All: attached you will find a document from ExxonMobil Canada Ltd. It is a response to comments (EA Addendum) on their EA Report of July 14, 2015. If your department submitted comments on the EA please review the responses in Section 2 and verify if they are satisfactory.

Additionally, Section 3 of the attached document is a geographical amendment to their original EA Report. The C-NLOPB is requesting comments from all those on the distribution list. The C-NLOPB requests a reply by close of business March 9, 2016, if no reply is received by then the C-NLOPB will assume no reply is forthcoming.
