Subject: RE: Fugro GeoSurveys Offshore Seafloor and Seep Sampling Program, 2017 - 2027 Commencement of Environmental Assessment

Hi Darren,

Thank you for the opportunity to review the Project Description and Scoping Document for the Fugro GeoSurveys Offshore Seafloor and Seep Sampling Program.

NRCan has determined that we will not be providing expertise for this Program as it is of short duration and low risk with regard to our areas of expertise.

Please let me know if you have any questions.

Thank you :)

Good day all: please see the attached project description, DRAFT Scoping Document and letter from the C-NLOPB requesting feedback. Please reply by close of business May 15, 2017.

If you have any questions please feel free to contact me.

Regards
Darren
