On February 26, 2016, CGG Services (Canada) Inc. (CGG) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an environmental assessment report for proposed 2D, 3D and/or 4D seismic surveys for the Eastern and Southern Areas of the Newfoundland and Labrador Offshore Area from 2016 until 2025. The enclosed report "*Environmental Assessment of CGG's Newfoundland Offshore Seismic Program, 2016-2025*" (LGL February 2016) describes these activities for this area.

The environmental assessment report was completed in accordance with the scoping document prepared by the C-NLOPB on November 19, 2015.

Please review the enclosed environmental assessment report and forward comments to me no later than **April 13, 2016.** If no comments are received by this date then the C-NLOPB will assume that your department or agency has no comments. If you have any questions regarding the environmental assessment report, you may contact me (709-778-1431 or dhicks@cnlopb.ca).

Yours truly,
